SIDE-BY-SIDE BURN DEMONSTRATIONS

Work with NIFSI to Improve Your Public Outreach

The Northern Illinois Fire Sprinkler Initiative is your full-service partner to deliver impactful side-by-side demonstrations to raise public awareness in your community. We're ready to work with fire and public information officials to display the dramatic differences between flashover and the quick response of residential fire sprinklers.

Our side-by-side demonstration units can be featured at community events, fire department open houses, and other locations that powerfully showcase how fire sprinklers can save lives and protect property.

We provide full-service demonstrations, with staffing, build assistance, furniture, drop-off and pick-up.
